

# Honest and Trustworthy

With integrity and trust as our motto, we provide reliable global logistics solutions.

## About us

**Seishin Shipping Co., Ltd. will do its best to find the best solutions for our corporate clients international logistics needs on the land, in the air, and at sea.**

*With rapid globalization, international logistics has become the lifeline for the ontime delivery of products and materials, influencing corporate strategies. We provide total logistics services, including air, sea, and land export/import shipping, customs clearance, storage, sorting, pickup, and delivery. We have established business alliances with local forwarders in ports in Shanghai, Shenzhen, Guangzhou, Dalian, Qingdao, Ningbo, Xiamen, Hong Kong, Taiwan, and more in Korea and Southeast Asia. We also have a domestic logistics network to meet the various needs of our customers. We provide high-quality international logistics services to shorten the lead time for the import/export of cargo, ensuring a safe and secure supply chain.*

# Low cost and speedy a global logistics service.

## **INTERNATIONAL INTERMODAL TRANSPORTATION for import and export**

*Following the recent expansion of companies into the inland area of Asia, a door-to-door integrated transportation service such as sea shipping from major Asian ports to inland areas, sea and air transportation that combines air transportation with trucks and railroads, etc. We will provide.*

## **CUSTOMS CLEARANCE**

*We handle all procedures related to import / export customs clearance, arrange filing from various document preparation to negotiation and our experienced staff are available. For accurate and prompt import / export declarations to customs, we provide appropriate advice to customers, such as correct product knowledge, compliance with customs duties, preparation of declaration materials before declaration, etc., and smoothly carry out customs declaration work with a perfect system. We will realize the import and export customs clearance.*

## **WAREHOUSE STORAGE SORTING & PROCESSING**

*Detailed support such as temporary storage, export packaging, and sorting is possible. We will respond to various requests*

## **INLAND TRANSPORTATION SERVICE**

*It can be transported from ports and airports all over Japan. We can handle a wide variety of rail and truck transportation from Hokkaido to Okinawa.*

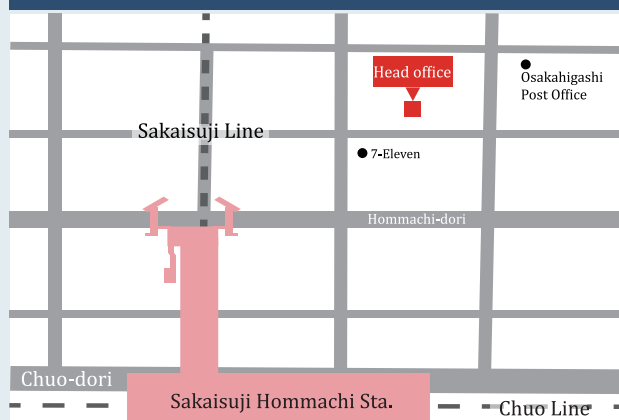

# COMPANY PROFILE

**“Sincerity, trust” as our mott Global by providing our customers with the most we aim to be a reliable company.**
